Lucie's Journey

2017 - 2020

Lucie's Mission:
Lucie decides to start mapping the litter that she has seen flying about in her village. She wants to know where it has come from, what kind of litter it is and what areas need the most help. Lucie pulls a team of friends together to make the village litter plans and mapping. On 12th January 2019, Lucie is the winner of the Green Superhero Award.

Strength

Lucie becomes an NCB Ambassador.

Confident
