

# OGC Testbed-18 Machine Learning Training Datasets Task

Dr Samantha Lavender, Dr Caitlin Adams, Dr Ivana Ivánová, and Dr Kate Williams

slavender@pixalytics.com

- Open Geospatial Consortium (OGC) **Innovation Activity** (within Testbed 18):
  - General lack and inaccessibility of high-quality Training Datasets (TDS);
  - Absence of standards resulting in inconsistent and heterogeneous TDS;
  - Limited discoverability and interoperability;
  - Lack of best-practices and guidelines for generating, structuring, describing and curating TDS.
- **Sponsor:** National Geospatial-Intelligence Agency (NGA)
- **Engineering Report:** <https://docs.ogc.org/per/22-017.html>
