## *Drive it down!* Measuring and mitigating school-gate transport emissions

Funding and collaborators: Drive it Down is funded by the Ministry of Business, Innovation & Employment through the Unlocking Curious Minds fund. The Meadowbank School Pilot project was funded through the GNS Science Social Science Strategic Science Investment Fund. Supported by: Sustainable Schools (Auckland Council), New Zealand Council for Education Research, Mana Ora, Enviroschools and Greater Wellington Regional Council. Project partners: Te Herenga Waka-Victoria University of Wellington, The University of California Berkeley, CarbonWatch-Urban, NZ Transport Agency Waka Kotahi. Vanessa Monteiro is currently a postdoctoral researcher at Institut de Ciència i Tecnologia Ambientals de la Universitat Autònoma de Barcelona (ICTA-UAB), Barcelona, Spain. The dissemination of this work contributes to CEX2024-001506-M funded by MICIU/AEI/10.13039/501100011033.
