

LJUBLJANA INVITES

The European Meteorological Society Annual Meeting 2025

► Medieval Ljubljana developed under the shelter of castle Hill, spreading alongside the banks of the Ljubljanica River in the area which we call the OldTown today.

► Plečnik's selected works in Ljubljana have been inscribed on the UNESCO World Heritage List in 2021.

► Ljubljana, the nation's cultural, urban and university centre is the biggest city of Slovenia and lies in its very heart.

Ljubljana

► The history of the earliest population on the territory of Ljubljana goes back 6,000 years. Emona - a Roman colony dating from 14 A.D. Is considered as the foundation milestone for today's city.

► The ultimate touch was bestowed on his hometown by Jože Plečnik (1872-1967), who signed unique architectural projects and landmarks, and reshaped its urban tissue.
